QUOTES

"A powerful voice and engaging performer, Ana Lía won over the Lula audience within moments, and kept them captivated throughout the concert."

TRACY JENKINS, CO-ARTISTIC & EXECUTIVE DIRECTOR AT LULAWORLD RECORDS

"The Dominican-Canadian musician just released her debut album on which she sings about missing her motherland, getting rid of toxic people in her life, and falling in love.

The story behind the song 'Que Ironía' is one that many of us who've come from other countries will relate to."
